BRIEF OVERVIEW

DAYARA BUGYAL

Dayara Bugyal is one of the most beautiful and easy treks in Uttarakhand. It is located at a height of about 11,800 feet. The word Bugyal means "high mountain meadow" and Dayara is a large green land surrounded by big mountains.

In summer and spring, the meadows are full of colorful flowers, and in winter, they are covered with white snow — perfect for snow treks and skiing. The trek usually starts from a small village named Barsu or Raithal and goes through thick forests of oak, maple, and pine trees, along with small rivers and peaceful villages. From the top, you can see amazing views of high mountains like Bandarpoonch, Draupadi ka Danda, Srikanth, and Black Peak. The trek is not very hard, which makes it great for beginners, nature lovers, and photographers.
