# BRIEF OVERVIEW

## SPITI VALLEY

Spiti Valley, in Himachal Pradesh, is a breathtaking mountain region known for its raw beauty, high peaks, and serene monasteries. The name "Spiti" means "The Middle Land," lying between India and Tibet. This cold desert valley features snow-capped mountains, crystal-clear rivers, and vast open landscapes that seem almost unreal. It's a paradise for trekkers, nature lovers, and photographers. Ancient monasteries like Key and Tabo, and villages such as Kaza and Kibber, showcase traditional Himalayan life. Summers offer clear skies, sparkling lakes like Chandratal, and adventure opportunities, while winters transform Spiti into a quiet, snowy wonderland. With its peaceful ambiance, warm locals, and stunning scenery, Spiti Valley offers a unique experience of freedom, simplicity, and deep connection with nature.

We had booked the package via tourmyholiday for Kedarnath and Badrinath, Yamunotri & Gangotri. We were overall satisfied and happy, but I did share my feedback with Mr. Ashish already that the hotels and driver were awesome. I will definitely recommend you to the others in my family and friends. Thanks for making our Chardham trip memorable.
