## BRIEF OVERVIEW

# KEDARKANTHA

Kedarkantha is a stunning trekking destination in Uttarakhand that has become a favorite among nature lovers and adventure seekers. Nestled in the Govind Wildlife Sanctuary, this trek is famous for its snow-covered trails, enchanting pine and oak forests, and peaceful mountain villages. During winter, Kedarkantha turns into a magical land with soft blankets of snow, making it one of the best winter treks in India. The summit, standing tall at around 12,500 feet, rewards trekkers with a breathtaking 360° view of mighty Himalayan peaks like Swargarohini, Bandarpoonch, and Black Peak. Its easy to moderate difficulty makes it perfect for beginners as well as experienced trekkers who wish to enjoy the charm of the Himalayas in a short span of time. We had booked the package via tourmyholiday for Kedarnath and Badrinath, Yamunotri & Gangotri. We were overall satisfied and happy, but I did share my feedback with Mr. Ashish already that the hotels and driver was awesome. I will definitely recommend you to the others in my family and friends. Thanks for making our Chardham trip memorable.
