BRIEF OVERVIEW

Spiti Valley

Tucked away in the Trans-Himalayan region of Himachal Pradesh, Spiti Valley is a remote, high-altitude desert offering raw, untouched beauty. Known for its stark landscapes, ancient monasteries like Key Monastery, and small villages like Kaza and Langza, it's a dream destination for bikers, trekkers, and cultural explorers. The dramatic mountains, deep gorges, and clear blue skies make Spiti feel like another planet.

Chandratal Lake

Located at 14,000 ft near Kunzum Pass, Chandratal (meaning "Moon Lake") is one of the most enchanting spots in Himachal. The lake changes color throughout the day—from turquoise blue to emerald green—making it a photographer's paradise. Popular among trekkers and campers, Chandratal is best experienced under the open sky with a million stars overhead. It's serene, surreal, and soul-refreshing.

We had booked the package via tourmyholiday for Kedarnath and Badrinath, Yamunotri & Gangotri. We were overall satisfied and happy, but I did share my feedback with Mr. Ashish already that the hotels and driver was awesome. I will definitely recommend you to the others in my family and friends. Thanks for making our Chardham trip memorable.
