# BRIEF OVERVIEW

## KUARI PASS TREK

The Kuari Pass Trek, also known as the "Lord Curzon Trail," is one of the most scenic and beginner-friendly treks in Uttarakhand. Nestled in the Garhwal Himalayas, this trail offers breathtaking views of some of the most iconic Himalayan peaks like Nanda Devi, Dronagiri, Kamet, Trishul, and Hathi Ghoda Parbat. The trek usually starts from Joshimath, passing through beautiful oak and rhododendron forests, charming Himalayan villages, and vast alpine meadows (called Bugyals). The highlight is reaching Kuari Pass (approx. 12,500 ft), where panoramic views of snow-capped peaks unfold. Ideal for both first-time trekkers and seasoned hikers, Kuari Pass offers a perfect mix of natural beauty, moderate difficulty, and cultural richness. The best time to do this trek is from March to June and September to December, when the skies are clear and the scenery is at its best.

We had booked the package via tourmyholiday for Kedarnath and Badrinath, Yamunotri & Gangotri. We were overall satisfied and happy, but I did share my feedback with Mr. Ashish already that the hotels and driver was awesome. I will definitely recommend you to the others in my family and friends. Thanks for making our Chardham trip memorable.
