BRIEF OVERVIEW

McLeodganj – Triund

The McLeodGanj Triund Trek is one of the most popular and beginner-friendly Himalayan treks in Himachal Pradesh. Starting from McLeodGanj or Dharamkot, the trail takes you through dense oak and rhododendron forests, offering stunning views of the Dhauladhar mountain range. The trek is around 9 km one way and is ideal for first-time trekkers, solo travelers, and weekend adventurers. Triund sits at an altitude of 2,875 meters, where trekkers are rewarded with panoramic views of snow-capped peaks on one side and the Kangra Valley on the other. An overnight stay in tents under a star-filled sky makes the experience even more memorable. Best visited between March to June and September to December, the Triund Trek is perfect for a short Himalayan escape.

We had booked the package via tourmyholiday for Kedarnath and Badrinath, Yamunotri & Gangotri. We were overall satisfied and happy, but I did share my feedback with Mr. Ashish already that the hotels and driver was awesome. I will definitely recommend you to the others in my family and friends. Thanks for making our Chardham trip memorable.
