BRIEF OVERVIEW

SANGLA HOLI

Sangla Holi is a unique and soulful celebration held in the beautiful Sangla Valley of Himachal Pradesh. Unlike the noisy city Holi, this festival is calm, spiritual, and deeply rooted in local traditions. Celebrated a few days after the main Holi, it brings together villagers, deities, and nature in perfect harmony. People dress in traditional Kinnauri attire, apply natural colors, and participate in folk music and devotional rituals. The festival begins at local temples, where prayers are offered, followed by joyful processions and community gatherings. Snow-capped mountains, wooden temples, and the Baspa River create a magical backdrop for the celebrations. Sangla Holi is not just about colors; it is about faith, unity, and respect for culture. Experiencing Sangla Holi feels like stepping into a timeless Himalayan tradition of northern India.
